

C.F. Biggs Gets it Done with ECMNOW!

Founded in 1950 in Shreveport, LA, C.F. Biggs Company, Inc. is a full service *ECMNOW!* reseller. They have been delivering solutions based on the PaperVision® Enterprise suite since 2000. Their success with *ECMNOW!* has led to expansive growth in the government sector, serving more than 60 parishes in their home state.

- Implemented the *ECMNOW!* suite to support a complex service management contract and were **up and running within 72 hours!**
- Can modify the entire product suite **to meet every customer's need.** “There is **nothing we can't do.**”
- Enables a **fast ROI** helping customers cut time to value, **saving money on labor costs!**
- Provides **immediate implementation**, meeting **real-time** data needs for customers.

EFFICIENCY*NOW*

MONEY*NOW*

CONTROL*NOW*

“Nothing in the market touches what the ECMNOW! suite offers. The product suite is the only one that really meets customer needs in a way that also creates a strong business opportunity for resellers. With ECMNOW!, if you want something done...boom, it's done.”

- Paul Dabbs, V. P. Services
