---

## How can ECMNOW™ *extraordinarily impact* your average business day?

**GARY** CFO W/O *ECMNOW!*

| ✗ | ✗ | ✗ | ✗ | ✗ | ✗ |
|---|---|---|---|---|---|
| Makes a copy of terms page and takes to Finance to enter into books. | Places original contract on assistant's desk for filing at a later date. | Sends email to executive team announcing the sale. | Spends 45 minutes with Director of Operations to schedule product implementation. | Returns to secretary to reference contract for customer question. Secretary can't locate it. | Works late to execute new contract while missing son's soccer game. |

✗

**Which CFO would *you* rather be?**

Sign sales contracts with new customer — **6AM** — **9AM** — **Noon** — Customer calls to clarify contract terms. — **3PM** — **5PM**

**LISA** CFO W/ *ECMNOW!*

| ☑ | ☑ | ☑ | ☑ | ☑ | ☑ |
|---|---|---|---|---|---|
| Scans and indexes contract using PaperVision® Capture. | PaperVision® Enterprise WorkFlow auto-generates emails to notify executives and operations to schedule product implementation. | PaperVision® Enterprise WorkFlow auto-sorts the contract by value and forwards it to the correct employee to set up billing. | Participates in a golfing activity with local association chapter members. | Pulls contract up on mobile phone using ImageSilo® to answer customer's question while on the phone. | Networks over drinks at the airport. Flies home in time for daughter's piano recital. |
