"ImageSilo® puts everything at my fingertips. Within a few minutes, I can get people the information they need, and I can securely access it from anywhere. The system gives me peace of mind knowing nothing sits on my desk."
- Susan Marseille Benefits Specialist
Advocate Health Care — Inspiring medicine. Changing lives.

"The conversion to electronic records allows us to more quickly provide patient care during mental health crises. In addition, if psychologists located elsewhere need to review patient information they can do so securely thanks to ImageSilo."
- Jocelyn Scott Director of Medial Records
NETCARE ACCESS

"With the help of PaperVision® Capture and PaperVision® Enterprise, we're able to ensure the protection of more than 10,000 records. Vulnerable information is no longer just sitting in drawers. And the cost savings are remarkable! ECMNOW! has helped us save more than $259,625."
- Mary Peelen Director of Health Information Services
Mental Health Center of Denver — Where Recovery Happens
