

# What if Your Organization Could Speed Up Business Processes?

*Route business information anywhere, anytime.*

Manual processes are costing organizations more time and money than ever before.

Every manually processed document can cost as much as \$25  
- IDC, 2019

26% of an employee's day is wasted on avoidable manual tasks.  
- OnePoll, 2019

Inefficient processes cost organizations 20-30% of their annual revenue.  
- IDC, 2019
