

Bring Your Accounts Payable Out Of The Paper Age

Save with automated processing and intelligent data extraction

70% of accounts payable costs are associated with manual data entry and document handling.

-IOFM

Processing a single paper invoice costs an average of \$11.76 in labor and handling, nearly twice the cost of a digital invoice.

-IOFM

Gain Efficiency with an Automated Accounts Payable (AP) System

- End manual data entry with automation and digital invoices
- Ensure accuracy with artificial intelligence-aided data capture
- Safeguard and monitor invoices through retention period
- Implement easily with little to no IT involvement

Learn how clients just like you...

- Saved \$676,000 in processing costs
- Cut processing time by 75%
- Trained staff in less than one day
- Recouped investment in under 2 months

A Better Way to Handle Your Invoices

Streamline document handling and cut costs with digital invoices.

- Eliminate spending on manual data entry and paper handling, storage and delivery.
- Organize and extract invoice details with artificial intelligence-enabled data capture.
- Access records at anytime from anywhere using virtually any device (including smartphones!)

Reduce invoice processing time and expense using advanced automation.

- Simplify processing from start to finish by routing information automatically.
- Qualify for early payment discounts by enabling invoice approvals from anywhere.
- Import data and speed three-way match using robotic process automation (RPA).

Protect sensitive information in compliance with regulations.

- Safeguard invoices with access controls, audit trails and multilevel data security.
- Disaster proof records with backup copies saved in multiple data centers.
- Keep data secure in transmission and storage using 256-bit AES encryption.

"PaperVision® Forms Magic™ technology has revolutionized our AP processes! We've been able to cut our invoice processing time by over 75%. We're saving the organization money and improving relationships with our business partners. We love Forms Magic!"

- Jason Sojka, Network and Computer Systems Manager, MSI Mold Builders
